

Mediaeval Baebes, The

"Salva Nos"

Visit "[Salva Nos](#)" on MotoLyrics.com

Salva nos, stella maris
Et regina celorum
Salva nos, stella maris
Et regina celorum

Que pura deum paris
Salva nos, stella maris
Et per rubum signaris
Nesciens viri thorum
Salva nos, stella maris
Et regina celorum

O virgo specialis
Salva nos, stella maris
Sis nobis salutaris
Imperatrix celorum
Salva nos, stella maris
Et regina celorum

Tu mater expers paris
Salva nos, stella maris
Manna celeste paris
Et panem angelorum
Salva nos, stella maris
Et regina celorum

O parens expers maris
Salva nos, stella maris
Partu non violaris
Paris sanctum sanctorum
Salva nos, stella maris
Et regina celorum

Celeste manna paris
Salva nos, stella maris
Lux cecis, dux ignaris
Solamen angelorum
Salva nos, stella maris
Et regina celorum

Salva nos, stella maris

Et regina celorum
