In the woods there grew a tree  
A fine, fine tree was he  
On that tree there was a limb  
And on that limb there was a branch  
On that branch there was a nest  
And in that nest there was an egg  
In that egg there was a bird  
And from that bird a feather came  
Of that feather was a bed  
On that bed there was a girl  
And on that girl there was a man  
From that man there was a seed  
And from that seed there was a boy  
From that boy there was a man  
And for that man there was a grave  
On that grave there grew a tree  
In SumerIsle, SumerIsle, SumerIsle  
On that tree there was a limb  
And on that limb there was a branch  
On that branch there was a nest  
And in that nest there was an egg  
In that egg there was a bird  
And from that bird a feather came  
Of that feather was a bed  
In SumerIsle, SumerIsle, SumerIsle, SumerIsle,  
SumerIsle  
On that bed there was a girl (SumerIsle, SumerIsle,  
SumerIsle)  
And on that girl there was a man (SumerIsle,  
SumerIsle)  
From that man there was a seed (SumerIsle, SumerIsle)  
And from that seed there was a boy (SumerIsle,  
SumerIsle)  
From that boy there was a man (SumerIsle, SumerIsle)  
For that man there was a grave  
From that grave there grew a tree
