The most worthy she is in towne -  
He that seith other do amiss -  
(And) worthy to ber the crowne.  
Veni, coronaberis.

Ageinst all bale she is blysse.  
Well is he that (may) her rech.  
Veni, coronaberis.

Ivy is green with colour bright,  
Of all trees best she is,  
And that I preve well now be right.
