[Rihanna:]

I'm down for life
Gangsta 4 Life
You know I'm down
I'm down for life
Load it, reload it and let's go
Gangster for life
Till the day that I die
I promise I'll standing high
Cause you know that I'm down
You know I'm down
Gangsta for life

[Verse 1: Trae]

Cheeah
It's been a minute niggas heard for the truth
While they thinkin it was hard for you can tell em that a
nigga back
With everything that I lost I was sick of being shitted on
Tell them that I'm here to pay a nigga back
Fully automatic in the trunk put'cha hands on deck
Somebody goin have to get it when I come around
Everybody talk that shit saying they ready for whatever
like a G
But when I'm at it it ain't un-around
Homie I ain't nothing like them niggas that'chu playing
with
With any wrong way I guarantee that niggas spread
shit
Take it up there I put a nigga on his ass
Try'na take it there, there will be the people that'cha
laying with
Bring it to the streets I can show you what I'm good for
You can find me in the gutta where you niggas never
could go
Jump foreal whether you niggas never could go
24/7 you can find me in the hood hoe
For every nigga in the cell, every nigga in the grave
You can tell em that I'm ridin for the team
For the ones that I feel and the ones who ain't goin
make it tonight

I'm a finna show you why they call me the king
Nothing less than a G.A.N.G.S.T.A.
Goin give it your best, so wear your vest today
When I'm on the lead you more than stress today
Put'cha on a position where you rest away

[Rihanna:]

[Verse 2: Trae]

I'm alone at home loaded back up and then I'm gone
If I'm a get'cha then I'm on my way to show up at'cha
dome
Even tho that if it's time I gotta go for what I'm known
You can tell em just fuck em until I'm upper than I flow
I'm on this backstreet all black lights off
A bunch of bullets ain't no telling where they might
floss
If I hit em I bet I sock em than you doin that graveyard
shit
For a time nigga lights off
Call me the weather man
Cause if I come out of the trunk I guarantee somebody
finna get rained on
Everybody within a hundred yard from head to toe
I swear I'm in the zone like my aim is gone
To everyone that I forgot I'm coming back for ya
Tell the team get out the way I'm finna bad for ya
I'm going hard till I'm even up stats for ya
I'm the king tell em to throw it wear I sat with'cha
Cheeah I'm in the zone
Somebody put a nigga on before I click it I get with'cha
If I end up up in the cell and never get free
Then everything I represented finna get with'cha
All I know is for the streets I'm killin this shit
All the niggas bout the money it wasn't for me
Bitch nigga move around it ain't nothing to see
In the legend of the great is where I'm a be
