Chorus (Exerpt from Swang (Big Hawk))

I would give my last breath if I could bring you back
Bring Screw back
Matter fact
Bring the whole crew back
Give my-give my last breath if I could bring you back
Bring Screw back
Matter fact
Bring the whole crew back
I would give my last breath if I could bring you back
Bring Screw back
Matter fact
Bring the whole crew back
Give my-give my last breath
Give my-give my last breath
Give my-give my last breath
If I could bring you back

Verse 1 (Trae)

H-A-W-K I feel like I'm lonely homie I need to talk
So ask Jesus can I see you a second so we can take a
walk
It's like a lot done changed since we kicked it the night
before
I feel I lost it all and still got a part of my life to go
And just to let you know I'm livin' it up to make you
proud
That's why I represent and I scream it everytime I touch
a drought
I'm Screwed Up Click forever no doubt I'ma rep it like
ya
Holdin' it for Screw makin' sure the rest of us step it like
ya
Sometimes I feel I shoulda never got that call
And when I made it to the scene it's like my spirit took a
fall
I was the last to leave the place where they found you I
couldn't breathe at all
Sometimes I wake up feelin' like why the f*** should I
breathe at all

Chorus

Verse 2 (Trae)

Nobody can tell you 'bout pain the way I can tell you
'bout pain
Until your partner's family suffers enough to blow out
your brains
Everyday it be the same thing prayin' that I can hold on
And I swear to life you gon' live through this partner
everytime I roll on
One hundred is what you was keepin' it real like a few
does
That's why you in the same category that me and Screw
was
I remember you stayin' down with me in my time of
need
And yo my son I got charged that can rob for whatever
they need
And if I lose my life say Hawk I'm a rider other n****z
didn't try
You was there you never left to be stronger that's why I
didn't cry
Pray you got to heaven and I feel it when I look up in the
sky
I told you you my brother forever homie I didn't lie

Chorus

Verse 3 (Trae)

I used to never understand when you hurtin' why life go
on
I guess cuz they ain't never tell me that life in itself is
wrong
I would give my last breath if I could bring you back
Bring Screw back
Matter fact
Bring the whole crew back
And if we never see each other I love you and that's a
fact
And tell Pac I'm holdin' it down and chunk the duece
from me to Pat
I ain't gon' never switch you up Hawk I'm ridin' this one
out
And tell the devil I'm the truth that's why he hidin' this
one out
I feel my body had to fight to walk your casket to the
grave
No matter how it went I never thought that I'd put you in
the grave
I would do this here for you and your momma, your
wife and your kids
Frasier to John homie I got you that's what it is

Chorus

(Trae over chorus)

H-A-W-K

Yo this really get hard for me right here homie

H-A-W-K
