[Chorus: Lil' Keke]

How ya like me now - cause I'm real  
How ya like me - How ya like me now - cause I'm real  
How ya like me - How ya like me now - cause I'm real  
How ya like me - How ya like me now - cause I'm real  
How ya like me - How ya like me now - cause I'm real  
How ya like me - How ya like me now - cause I'm real  
How ya like me - How ya like me now - cause I'm real  
How ya like me - How ya like me now - cause I'm real  
How ya like me - How ya like me now - cause I'm real  
How ya like me

[Verse 1: Trae]

R.I.P to H.A.W.K., so I swang a bumpa grill  
Made it out the hood, but I'm in the hood still  
Leather so soft, yeah I like the way it feel  
Hoppin out fresh like I signed a million dollar deal  
Yeah I'm the truth - 84's sittin on the truck  
Haters on my nuts, while I'm ridin with a Cuban slut  
Or I can do the drop, trunk up - fifth ain't  
Doors hoppin fly, while I'm sittin on some sick paint  
Customized off Johnny yo shit ain't  
Doors in the air, actin like my shit don't stank  
I'm the King of the streets so I'm top rank  
Bitch I'm from the West and I can roam where ya block  
ain't

I walk nice so my whip stay shoe'd up  
Beatin so hard it'll make ya throw ya food up  
A.B.N still red, black, or blue'd up  
And we don't wanna hear it - if it never been Screwed  
Up

[Chorus: Lil' Keke]

[Verse 2: Big Pokey]

Me I'm all about the cash, cause I love grindin  
Labels want me to cut 'em something, like a blood  
diamond  
Two stacks in my hand at the club climbin  
Popped the band, made it rain - now the club drownin  
Use to drop niggas, now I let the snub down him

Leave 'em in the parkin lot and let the club find him  
75 corners in the bezzell, yeah the bulb blindin  
Diamonds the size of dice, cause I love shinin  
They mad at me 'cause I'm livin the life  
Paper'd up, taper'd up - in this linen - and - ice  
Hot like the dice, make a chick look twice  
It cost to floss dogg I done paid that price  
Money come, money go - point scene money gone  
52 out the door now a nigga money long  
Niggas know the deal - stop, drop, and roll  
Niggas know the fuckin dreal, you know who it is

[Chorus Till End: Lil' Keke]
