You are watching a master, at work...

[Trae]

Waking up early in the evening, ready to start up my  
day  
Hop out the bed and hit the shower, eyes dozing away  
Thirty minutes flew away, and now I'm back on my track  
My mouth fresh diamonds shining, I don't know how to  
act  
But what do you know, some broad was still laying in  
my bed  
I ain't gon lie and I say I fucked, but I recall receiving  
head  
But that's another note, get your ass up I gotta burn out  
And if you make me late, you ain't gon like the way this  
turn out  
Ten minutes later, get the keys and I'm out the do'  
Hop in a black on black, I'm thinking fast but I'm  
crawling slow  
Private calls hit my cell, but all they gon get is the dial  
tone  
Since Ruben ex bitch, wanna keep playing on my phone  
Have ninety-nine problems, but the hate ain't one  
Fuck it the cash ain't either, so I'm strapped with a gun  
I hit the West on the tip, while I'm flipping a '59  
Eyes covered by the locs, cause these diamonds be  
known to blind  
I rep the West like the captain, with the general who in  
charge  
Ain't nobody got no problems, since they know my  
entourage  
In the blue or either red, well acquainted with the D's  
From the North to the South, tops crawling more than  
these  
See I'm the youth of the West, my nigga pimping ain't a  
thang  
Plus my swagger kinda gangsta, so the city know my  
name  
More than life in the hood, got me looking like a star  
Plus they go to bat for Trae, like I was dying in a war  
Conversating with Pimpin' Ken, or maybe Good Game

Telling me to pimp a bitch, and I can get some good  
change  
Half the world wanna see, what's finna be my next  
move  
But my next move will show you, how I make the rest  
groove  
Just another type of note, that a playa can show ya  
If you relate us to the good, and if not I don't know ya  
I show the South, everytime a nigga peep my style  
I'm classified as a mack, check my playa file

(\*talking\*)

Huh, know pimping ain't a thang over here homie  
Yeah we straight, but you know we playa at the same  
time  
This next verse here, is for them hating ass niggaz  
Who can't get they shit straight, and they bitch choose  
a G  
Then they wanna get mad, wanna beat the bitch up  
I'ma give you niggaz some game

[Trae]

On the cool I fuck a lot of hoes daily, these niggaz turn  
shady  
If they find out that they hoes, wanna pay me  
Never ever will they play me cause I'm G made, I don't  
need a broad  
I'd rather sit and cap with niggaz, part time on the 'vard  
Only woman that I love, is my mama  
On a bitch that I'm gripping, will a nigga feel the drama  
peep the game hater  
I'ma tell you, like a nigga told me  
Get the cash and keep it playa, niggaz fly in these  
streets  
I never ever saw the rings, but I swear these niggaz  
cuffing  
Talking tough from a distance, but they heart done got  
em bluffing  
Should I click, guess I need to continue my mission  
Plus you hoes ain't on my level, I'm pimping while you  
be wishing  
I got the cars and the house, wardrobe so Asshole  
Plus I'm on my game, well acquainted with the cash  
flow  
And if I quit, it's gon be hell to see my son  
Cause it's all inside my genes, baby Neek finna come

(\*talking\*)

And that's real talk, right there homie  
Real playas do real playa thangs, know I'm saying  
Nigga don't get mad, you wanna go give your bitch a

black eye  
And a busted lip, and she chose a G  
Or wanna ride on side a G, and look good for a second  
Get your game face on nigga, nigga be tripping me out  
with this bullshit  
How the fuck you gon have a bitch, and wanna box that  
hoe like a nigga  
But when you catch the nigga in the street, you tal'n  
bout uh  
It was a misunderstanding who do this and that, come  
on mayn  
Get your shit together, for real see me in these streets  
nigga  
Asshole By nature ha-ha, you niggaz be tripping me out  
mayn  
That's what that is, you niggaz is marks mayn  
Ol' pile of pimping ass niggaz mayn, matter fact give  
me the powder  
I'm finna slap the shit, out one of these hoe ass niggaz
