"Stranger To Himself"

Visit "[Stranger To Himself](#)" on MotoLyrics.com

(Winwood/Capaldi)

Struggling with confusion, disillusionment too
Can turn a man into a shadow, crying out from pain

Through his nightmare vision, he sees nothing, only
well
Blind with the beggar's mind, he's but a stranger
He's but a stranger to himself

Suspended from a rope inside a bucket down a hole
His hands are torn and bloodied from the scratching at
his soul
