(Mason/Capaldi)

Tell me how you want me to be, then look again and  
you will see  
That I'm still the same love  
Think me into any shape, your twisted mind has no  
escape  
But don't be ashamed, love, it's just a game, love  
But don't be ashamed, love, it's just a game, love  
You can learn how to play  
Born like you were in a terrible mess, didn't know what  
it was to have a new dress  
You just wanted to scream out my name  
Till somebody said, 'Let me take you to bed'  
And with money and lies they filled up your head  
You were barely thirteen, a child from the villages  
So fresh on the scene
