There's a father in your sweetest dreams

Who's always there to meet your needs

He never ever lets you down

There's a mother in your heart of hearts

Who always plays the perfect part

She never lets you hit the ground

This is the need of children

These are their tender dreams

And oh how it hurts when they don't come true

Chorus:

(That's why I'm) Learning to trust in You

In everything I do

Learning to trust in You

'Cause I know in my heart that you're true

I'm learning to trust in You
