Hello, I got something to tell you

But it's crazy, I got something to show you

So give me just one more chance, one more glance

And I will make of you another believer

Guess what?

You got more than you bargained

Ain't it crazy?

You got more than you paid for

So give me just one more chance, one more glance

One more hand to hold

You've been on my mind, though it may seem I'm fooling

Wasting so much time, though it may seem I'm fooling

What are we gonna do?

What are we gonna do about it?

So then, that is all for the moment

Until next time, until then, do not worry

And give me just one more chance, one more glance

And I will make of you, yeah I'm gonna make of you another believer

You've been on my mind, though it may seem I'm fooling

Wasting so much time, thought it may seem I'm fooling

What are we gonna do?

What are we gonna do about it?

Hello, I got something to tell you

Hello, I got something to tell you

You've been on my mind, wasting so much time...
