Look at you, Diana  
You have grown so beautiful  
Put your homework down now  
Come and sit here next to me

And I'll show you a game we can play  
I'll teach you some new words to say  
I'll show you a game we can play  
Play with me, Diana

Here's a kiss, Diana  
Have you seen it on TV?  
It's just a ticklish feeling  
in the place between your knees

Now I'll show you again we can play  
I'll teach you some new words to say  
I'll show you again we can play  
Play with me Diana

Now I've done everything for you  
Would you do something for me?  
Or do you wanna hurt my feelings?  
Do you wanna run away from me?

I'm amazed, Diana  
you have come to be so smart  
Keep a secret, darling,  
Or you'll break your uncle's heart

Now I'll show you a game we can play  
I'll teach you some new words to say  
I'll show you a game we can play  
Play with me Diana

Now I'll show you again we can play  
So don't be afraid of the shame  
'cause I'll show you again we can play  
Play with me Diana  
Diana  
Play with me Diana
