Light of the world
You stepped down into darkness
Open my eyes and let me see
Beauty that made, this heart adore You
Hope of a life spent with You
Here I am to worship, here I am to bow down
Here I am to say that You're my God
You're altogether lovely, altogether worthy
Altogether wonderful to me
King of all days, oh, so highly exalted
Glorious in Heaven above
Humbly You came to the earth You created
And all for love's sake You became poor
Here I am to worship, here I am to bow down
Here I am to say that You're my God
You're altogether lovely, altogether worthy
Altogether wonderful to me
I'll never know how much it cost
To see my sin upon that cross
I'll never know how much it cost
To see my sin upon that cross
I'll never know how much it cost
To see my sin upon that cross
I'll never know how much it cost
To see my sin upon that cross
Here I am, I'm gonna worship, I'm gonna bow down
I'm gonna say that he cured my heart
You're altogether lovely, altogether worthy
You're altogether wonderful to me
Here I am to worship, here I am to bow down
Here I am to say that You're my God
You're altogether lovely, altogether worthy
Altogether wonderful to me
Here I am to worship, here I am to bow down
Here I am to say that You're my God
You're altogether lovely, altogether worthy
Altogether wonderful to me
