This heart breaks slowly telling me
What are You doing to me when I pray
Do what it takes, I didn't know I'd lose everything
Everything that meant anything to me is gone
Something right has to come from this wrong
It is the hurt that breaks me
It is the pain that pulls me to my knees
And the tears, they've changed me
To what I couldn't see become so clear to me
This is the way, the way that You love me
My way, destroying me
I couldn't see I was my worst enemy
So You took away till my soul ached
And I knew that it was no mistake
Anything that meant anything to me was gone
Something right has to come from this wrong
It is the hurt that breaks me
It is the pain that pulls me to my knees
And the tears, they've changed me
To what I couldn't see become so clear to me
This is the way, the way that You love me
You love me so much that You let me
You let me fall knowing that
I would lose it all and hear Your call
You love me so much that You chase me
When I ran away You captured me
By letting me run to the end of myself
To the end of myself
And this the way You love me
The way You love me
It is the hurt that breaks me
It is the pain that pulls me to my knees
And the tears, they've changed me
To what I couldn't see become so clear to me
This is the way, the way that You love me
The way that You love me
