Come down off your throne and leave your body alone
Somebody must change
You are the reason I've been waiting so long
Somebody holds the key
Well, I'm near the end and I just ain't got the time
And I'm wasted and I can't find my way home

Come down on your own and leave your body alone
Somebody must change
You are the reason I've been waiting all these years
Somebody holds the key
Well, I'm near the end and I just ain't got the time
And I'm wasted and I can't find my way home
And I can't find my way home
And I can't find my way home
But I can't find my way home
But I can't find my way home
No, I can't find my way home
And I can't find my way home
But I can't find my way home
