Found someone who can comfort me  
But there are always exceptions  
And she's good at appearing sane  
But I just want you to know

She's the one makes me feel so good  
When everything is against me  
Picks me up when I'm feeling down  
So I've got something to show

Staring at empty pages  
Centered 'round the same old plot  
Staring at empty pages  
Flowing along the ages

Often lost and forgotten  
The vagueness and the mud  
I've been thinking I'm working too hard  
But I've got something to show

Staring at empty pages  
Centered 'round the same old plot  
Staring at empty pages  
Flowing along the ages

Staring at empty pages  
Centered 'round the same old plot  
Staring at empty pages  
Flowing along the ages

Often lost and forgotten  
The vagueness and the mud  
I've been thinking I'm working too hard  
But I've got something to show, you know

Found someone who can comfort me  
But there are always exceptions  
And she's good at appearing sane  
But I just want you to know
