(Bricusse/Newley)

Bird flying in the sky, you know how I feel  
Sun shinin' in the sky, you know how I feel  
Breeze drifting on by, that's what I mean  
It's a new dawn  
It's new day  
It's a new life for me  
And I'm feelin' good  
Bird flying high and you know how I feel  
Sun up in the sky, you know how I feel  
(?), that's what I mean  
It's a new dawn  
It's new day  
It's a new life for me  
And I'm feelin' good  
Dragonfly out in the sun, you know how I feel  
Butterflies all having fun, you know how I feel  
Sleep in peace when day is done, that's what I mean  
It's a new dawn  
It's new day  
It's a new life for me  
And I'm feelin' good  
Birds flying in the sky, you know how I feel  
Sun shinin' in the sky, yes, you know, you know how I  
feel  
(?), you know how I feel  
It's a new dawn  
It's new day  
It's a new life for me  
Oh yes, and I'm feelin'  
Oh yes, and I'm feelin'  
Oh yes, and I'm feelin' good
