Seems I've got to have a change of scene  
Cause everynight I have the strangest dreams  
Imprisoned by the way it could have been  
Left here on my own or so it seems  
I've got to leave before I start to scream  
But someone locked the door and took the key

Ya Feelin' alright  
I'm not feelin' to good myself  
Well, ya feelin' Alright  
I'm not feelin to good myself

But boy you sure took me for one big ride  
And even now I sit and wonder why  
But when I think of you I start to cry  
I just can't waste my time I must get by  
Gotta stop believing in all your lies  
Cause there's too much to do before I die

Ya feelin' alright  
I'm not feelin to good myself  
Well, ya feelin' alright  
I'm not feelin' to good myself

Don't get too lost in all I say  
Though at the time I really felt that way  
But that was then and now it is today  
Can get up there and so I'm here to stay  
Till' someone comes along and takes my place  
With a different name and yes a different face

Ya Feelin' alright  
I'm not feelin to good myself  
Well, ya feelin alright  
I'm not feelin to good myself

Ya Feelin Alright  
I'm not feelin alright

Well I hope your feelin alright  
I'm not feelin to good myself

I'm not feeling to good myself  
I'm not feelin to good myself

Alright..
