In a Shanghai Noodle Factr'y  
Place where I once used to be  
Nowhere doing nothing

People there were made of steel  
Tiny cogs in one big wheel  
Turning never learning

Had to make a break  
And soon I had to wake up  
Feeling stronger, feeling stronger  
On my island of dreams  
With impossible schemes

In a Shanghai Noodle Factr'y  
Place where I once used to be  
Nowhere doing nothing

People there were made of cans  
Packed like roosters in a pen  
Crowing, never knowing

Had to make a break  
I knew I couldn't fake it any longer  
Everything just aches  
Soon I'd have to wake up  
Feeling stronger, feeling stronger  
On my island of dreams  
With impossible schemes

In a Shanghai Noodle Factr'y  
Place where I once used to be  
Nowhere doing nothing

Nowhere doing nothing  
Nowhere doing nothing  
Nowhere doing nothing  
Nowhere

Had to make a break  
I knew I couldn't fake it any longer  
Everything just aches

Soon I'd have to wake up  
Feeling stronger, feeling stronger  
On my island of dreams  
With impossible schemes
