Sittin' here thinkin' of my love  
Sittin' here thinkin' of my love  
Wonderin' if she's thinkin'  
Or maybe if she's drinkin'  
Sittin' here just thinkin' of my love

Never felt as low as this before  
Never felt as low as this before

In the evenin' when I'm sleepin'  
When I wake up I'm weepin'

Never felt as low as this before  
Oh, I never felt as low as this before

Sittin' here thinkin' of your love  
Sittin' here thinkin' of your love  
Wonderin' if it's flowin'  
Since we both stopped cryin'  
Sittin' here just thinkin' of your love

Never felt in perspective before  
Never felt inseparable for sure

In the evenin' I'm sleepin'  
When I wake up I'm weepin'

Never felt inseparable before  
No, I've never felt inseparable before

Sittin' here thinkin' of my love  
Sittin' here thinkin' of my love  
Wonderin' if she's thinkin'  
Or maybe if she's drinkin'  
Sittin' here just thinkin' of my love

Never felt this low as this before  
No, I never, never felt as low as this before  
No, I never, inseparable for sure

No, I never  
No, I never felt inseparable for sure

No, I never  
No, I never felt in perspective before
