No more will I wait  
I've got to make my move  
You'd never treat me wrong  
If you knew how I'm feelin'  
Baby can't you see?  
To make you mine O mine  
I'll turn things upside down (upside down)  
Hunting for you  
Why don't you love me?

(a)

(Ao Ao Ao) I want some kissin' cuz you know what  
I'm missin'  
(Yeah) the earth goes quakin' when you're keepin'  
me shakin'  
(Oh) Gonna start my chasing now -- I wanna catch  
you and make you meow

(b)

You're the sweetest  
How can I win your heart?  
In a moment I'll crash  
Nothing will calm me down  
Till you really love me  
Darlin' hold me tight
