Same bed but it feels just a little bit bigger now
Our song on the radio but it don't sound the same
When our friends talk about you, all it does is just tear
me down
Cause my heart breaks a little when I hear your name

It all just sounds like oooooohâ€¦
Mmm, too young, too dumb to realize
That you should have bought me flowers
And held my hand
Should have gave me all your hours
When you had the chance
Take me to every party
Cause all I wanted to do was dance
Now baby I'm dancing
Yeah, I'm dancing with another man

Your pride, your ego, your needs, and your selfish
ways
Caused a good, strong woman like me to walk out your
life
Now you'll never, never get to clean up the mess you
made
And it haunts me every time I close my eyes

It all just sounds like oooooohâ€¦
Mmm, too young, too dumb to realize
That you should have bought me flowers
And held my hand
Should have gave me all your hours
When you had the chance
Take me to every party
Cause all I wanted to do was dance
Now baby I'm dancing
Yeah, I'm dancing with another man

Although it hurts
I'll be the first to say that, I was wronggg...
Oh, and now you are much too late
To try and apologize for your mistakes
But I just want you to knowww....

That he buys me flowers
And he holds my hand
Gives me all his hours
Cause he has the chance
Takes me to all the parties
Cause he remembers how much I love to dance
Does all the things you should have done, when you
were my man

Does all the things you should have done, when you
were my man
