Same bed but it feels just a little bit bigger now  
Our song on the radio but it don't sound the same  
When our friends talk about you, all it does is just tear me down  
Cause my heart breaks a little when I hear your name

It all just sounds like oooooohâ€¦  
Mmm, too young, too dumb to realize  
That you should have bought me flowers  
And held my hand  
Should have gave me all your hours  
When you had the chance  
Take me to every party  
Cause all I wanted to do was dance  
But now baby I'm dancing  
But I'm dancing with another man

Your pride, your ego, your needs, and your selfish ways  
Caused a nice young love like me to walk out your life  
Now we'll never, never get to clean up the mess we made  
And it haunts me every time I close my eyes

It all just sounds like oooooohâ€¦  
Mmm, too young, too dumb to realize  
That you should have bought me flowers  
And held my hand  
Should have gave me all your hours  
When you had the chance  
Take me to all parties  
Cause all I wanted to do was dance  
But now baby I'm dancing  
But I'm dancing with another man

Although it hurts  
I'll be the first to say I was wrong  
Oh, I know I'm probably much too late

To try and apologize for the mistakes  
But I just want you to know  
Mmmm.. He buys me flowers  
And he holds my hand  
And he gives me all his hours  
Cause he has the chance  
Takes me to all the parties  
Cause he remembers how much I love to dance  
Does all the things you should have done when you were my man  
Does all the things you should have done when you were my man.
