### "We're Givin' A Party"

I'd like to get that Hip Hop Feelin' with you  
Instead of stayin' Home with nothin' to do  
Where is the Party  
Where is the Party tonight

So let's shake it take it make it allright  
Wanna listen to the Rhythm right deep inside  
And if it happens - I'm gonna fall in love  
So get me crazy on a Saturday Night  
Easy coming easy going wanna hold you tight  
Gimme more and more - enough is not enough

We're givin' a Party  
We're givin' a Party  
We're givin' a Party  
We're givin' a Party  
Oh oh oh oh oh  
a Party tonight

We're givin' a Party  
We're givin' a Party  
We're givin' a Party  
We're givin' a Party  
We're givin' a Party  
We're givin' a Party  
Oh oh oh oh oh  
a Pa-Pa-Pa-Pa-Pa-Pa-Party tonight  
We're givin' a Party  
A Pa-Pa-Pa-Party

I can see it I can feel it  
He's a lookin' my Way  
You're mistaken cos he's taken  
And he's mine today  
Don't you worry don't you hurry  
You ain't got no Chance

Let him go forget him and we're gonna dance  
Dance (Yeah) - Dance (Yeah) - Dance

Let's Party tonight

We're givin' a Party  
A Pa-Pa-Pa-Pa-Pa-Party  
Oh oh oh oh oh  
Let's Party tonight

Uuuh feel the Rhythm Baby

Where is the Party  
Where is the Party tonight

Can anybody fly me up to the Moon  
I need some kicks to get me groovin' real soon  
Where is the Party  
Where is the Party Baby

It's all quite simple - I want simply the best  
I want it all so Baby don't gimme less  
Where is the Party  
Where is the Party tonight

So let's shake it take it make it allright  
Wanna listen to the Rhythm right deep inside  
And if it happens - I'm gonna fall in love  
So get me crazy on a Saturday Night  
Easy coming easy going wanna hold you tight  
Gimme more and more - enough is not enough

We're givin' a Party  
We're givin' a Party  
We're givin' a Party  
We're givin' a Party  
Oh oh oh oh oh  
a Party tonight

Just set your heart in Motion if you're the one  
I'm tired of hangin' round - why don't we have fun  
Where is the Party  
Where is the Party Baby
