[Chorus]:

Drop, Drop Drop, Drop,
Drop, Drop, Drop, Drop,
Drop, Drop, Drop, Drop,
Drop, Drop, Drop, Drop,
She rode that dick like a soldier,
She rode it like a soldier!
She rode it like a soldier!
She rode it like a-
Rode it like a soldier!

Pop, pop, pop it at the portion,

all you do is bring me back my portion,
I don't even speak, I just let her see the piece, it's
enourmas.
I'ma show you how to make a fortune,
all black porche, of course, twelve-hundred horses,
back seat dick this bitch look gorgeous.
I'ma break it out, get ya' friends it's a orgy,
you go on the rocks and I'm ready for performing.

Uhh, the way ya' body move so impressive!
I can make ya' pussy look expensive.
Just a little time, I see you got potential!
Ya' young but ya' fine!
