My silhouette rises and falls  
Like waves upon her shore.  
Any regrets fall into pieces  
Like the clothes upon this floor.

I pour myself out like honey from a spoon,  
And I'm shaking while chasing after you.

And the room loses focus,  
But the moment is flawless,  
Over and over again.  
Her lips come together  
And shatter with pleasure,  
Over and over again

I lie awake within her symphony  
Her heart beats in two-four,  
Her breathing croons in D.

She moves and still I follow,  
fitting perfect, filling hollows

And the room loses focus,  
But the moment is flawless,  
Over and over again.  
Her lips come together  
And shatter with pleasure

Over and over again

And the room loses focus,  
But the moment is flawless,  
Over and over again.  
Her lips come together  
And shatter with pleasure  
Over and over again  
Over and over again
