Mel: I'm the M to the E-L-B, you know me
Missy: I'm the M-I-S-S-Y to the E
Mel: And I got many flows from overseas
Missy: Well, how can you beep beep with no keys?
Mel: I got spice, I'm tight with my flows
Missy: And all my flows been known to throw blows
Mel: Well, let me hit this one before I go
Missy: Well, I'm gonna let you go, if you say so,ow.

Mel: Boy, I'm sick of you,
Who, me? Yes, me
yeah, you know I'm a fool, ooh
I'm a fool for you (uh)
'cos I keep talkin' you back
As though I'm stupid like that (uh)
Yeah, yeah, you know we're through (uh)
But I can't say no and I never said no
I can't say no to you (uh)
because you treat me wack
In fact, I want you back (uh)

I think I want you back
Your love has made a deep impact (uh-huh uh-huh)
I know it might sound wack (uh)
But damn, I think I want you back
Want you
I think I want you back
Your love has made a deep impact (uh)
I know it might sound wack (uh-huh)
But damn, I think I want you back, want you back, ow

Boy, I'm tired of you (uh)
Runnin' over me, tellin' me what to do
Now what have I done to you (uh-huh)
To make you sex alot?
I thought I made you hot
Now don't make me act a fool (uh)
I know I talk mad junk, but I know what I want
What I truly want is you (uh-huh)
And even though you're a mack, true dat
I want you back

I think I want you back (want you back)
Your love has made a deep impact (impact, uh)
I know it might sound wack (sound wack)
But damn I think I want you back (I want you back) Want
you
I think I want you back (uh)
Your love has made a deep impact (uh)
I know it might sound wack (sound wack)
but damn, I think I want you back, want you back (uh)

You got me losin' my mind, my mind (uh)
You can't keep breaking my heart (uh, breaking my
heart, uh)
You got me drinkin' liquor in the mornin' (uh-huh)
sittin' all night at the bar (uh uh) ow (uh)

I think I want you back (uh-huh)
Your love has made a deep impact (say what, say what)
I know it might sound wack
but damn, I think I want you back (want you)
I think want you back (uh-huh)
Your love has made a deep impact (say what, uh)
I know it might sound wack
but damn I think I want you back
But damn, I think I want you back, want you back uh
