Take me away  
into illusion  
Take me away  
from the rain

Wounded but not yet fallen  
Still caving in  
The marks from the dance with the devil  
still healing

Take me away  
into illusion  
Take me away  
from the rain

Shallow but not yet empty  
Cries left alone  
The marks from a life lived in vain  
still sore

Take me away  
Take me to places where hope  
is not merely an illusion  
Take me to levels where strength rises high  
Take me to levels where there are no lies  
Take me to places where life is for real  
Where destiny's challenge has yet to be sealed  
Still I awake to the sound of damnation  
Torn from my sleep as it calls out my name

Take me away  
into illusion  
Take me away  
from the pain

I fall!  
The fact that the curtain of life  
is ready to fall

I drown!  
The empty white canvas

is suddenly painted in red
