She's got her hair pulled back into pigtails
Serving up lunches and mixing up cocktails
For business men in business suits

All week long she's droppin off dishes
Picking up bills and cleaning up ketchup
Just to make a couple bucks

When the weekend rolls around
She gets to lettin her hair down
All dressed up on a Friday night
Shake it, shake it, shakin it with girlfriends
Every song til the night ends
With a cold beer held up high
In a honky tonk with country music jammin
Girls love to go dancin'

Her best friend is a beauty beautician
Colorin roots and puttin in extensions
And buffin out bad cuticles
Round and around and around in the mirror
All week long with scissors and a chair
Makin people look beautiful

When the weekend rolls around
She gets to lettin her hair down
All dressed up on a Friday night
Shake it, shake it, shakin it with girlfriends

Every song til the night ends
With a cold beer held up high
In a honky tonk with country music jammin
Girls love to go dancin'
Girls love to go dancin'

After all the work is done
And it's time to have some fun
There's only on thing on her mind

When the weekend rolls around
She gets to lettin her hair down
All dressed up on a Friday night

Shake it, shake it, shakin it with girlfriends
Every song til the night ends
With a cold beer held up high
In a honky tonk with country music jammin
Oh and there ain't no use in wondering if your asking
Girls love to go dancin'
Girls love to go dancin'
