It's the hard knocks,  
It's the long shots,  
It's believin in yourself when you're all you got.

You don't turn back,  
Don't give in,  
Rising up to see the last man standing.

Stakes are high when the chips are down n' you can bet  
the farm I ain't voted out, 'cause when everyone else  
has thrown their hand in,  
I'll be the last man standin'!

Well, I miss my Mama and all of my friends in that tiny  
little town I grew up in, will always be where I call home.

But I sacrificed too many years, to just give up on what  
got me here,  
I've come so far to be so close.

It's the hard knocks,  
It's the long shots,  
It's believin in yourself when you're all you got.

You don't turn back,  
Don't give in,  
Rising up to see the last man standing.

Stakes are high when the chips are down n' you can bet  
the farm I ain't voted out, 'cause when everyone else  
has thrown their hand in,  
I'll be the last man standin'!

Well there comes a time in all our lives when your back'  
to the wall and it's do or die.  
Do you stand your ground or walk away?  
(You can walk away)  
My heart's been broke,  
My prize been ripped,  
Everytime these well tips make me quit I, hear that  
voice inside me say it!

It's the hard knocks,  
It's the long shots,  
It's believin in yourself when you're all you got.

You don't turn back,

Don't give in,  
Rising up to see the last man standing.

has thrown their hand in,  
I'll be the last man standin'!

Yo, pump it 'til they taught me lose is wrong,  
No, you can't pull me down 'cause I'm just too strong,  
Way to wait too long,  
I got your world in your hands,  
(I ain't playin wit chu man! )  
And I don't ask a demand,  
If you wanna come and get it,  
I ain't here to brake a bus,  
But I bet chu won't get it,  
Man I come to take it home,  
I want it deep in my bones,  
And I don't ask a demand,  
When it all falls down,  
I'll be the last man standing.

It's the hard knocks,  
It's the long shots,  
It's believin in yourself when you're all you got.

You don't turn back,  
Don't give in,  
Rising up to see the last man standing.

Stakes are high when the chips are down n' you can bet  
the farm I ain't voted out, 'cause when everyone else  
has thrown their hand in,  
I'll be the last man standin'!

Well I'm gonna be the last man standin',  
I'm gonna be!  
Last man standin',  
I'm gonna be  
Last man standin'  
I'm gonna be  
Last man standin'  
I'm gonna be

Last man standin'  
I'm gonna be!
