Makes you feel tough
Makes you think you're a badass
Like you're part of something
Like you are what you dress

(mumbled line)
Part of the baddest crew
Where oppression seems to be wrong
Unless its fucking used by you

The skins and Nazis who are just the fucking same
Violence and oppression
Under a different name.

Beating up on a black or a jew
Just beating up on gays
When i try and talk to you I get smacked across the
face
And I say

Oi! Oi!
Oi! Skinhead
Oi! Oi!
Oi! Skinhead
Oi! Oi!
Oi! Skinhead
Oi! Oi!
Oi! Skinhead

Original skins weren't violent
But they stood against mistreatment
Shaved their heads and they wore boots to
Make a political statement
But with their minds and not their fists
They started a fucking wave
Its been TAKEN
And ALTERED
Into a violent gang of

The skins and Nazis who are just the fucking same
Violence and oppression

Under a different name.

Beating up on a black or a jew
Just beating up on gays
When i try and talk to you I get smacked across the
fucking face
And I say

Oi! Oi!
Oi! Skinhead
Oi! Oi!
Oi! Skinhead
Oi! Oi!
Oi! Skinhead
Oi! Oi!
Oi! Skinhead

I've stereotyped and I'm sorry
To the true skinhead
But some of your boys are starting to give you a bad
name
Punx and skins must unite again
We'll get fucking pissed
We'll fight the real enemy with our minds
We'll put down our fists and we'll say

Oi! Oi!
Oi! Skinhead
Oi! Oi!
Oi! Skinhead
Oi! Oi!
Oi! Skinhead
Oi! Oi!
Oi! Skinhead

(Ois 'til the end of the song)
