I keep on losing time but I, take the second hand
People stop and stare at me, if I could, I'd make them
understand
My picture starts to fade away
I start to breath but stall
Desire, you know you're making me fall down, fall out,
crawl

WHILE YOU WALK AWAY
I think I'm falling apart.now tell me
WHILE YOU WALK AWAY
I know you'll never go far,
So I'll stay, I think I'm falling apart

I wish that you would compromise, you think you're
happy now
Take another chance, you failed miserably
I never told you how
My picture starts to fade away
I start to breath but stall
Desire, you know you're making me fall down, fall out,
crawl

WHILE YOU WALK AWAY
I think I'm falling apart.now tell me
WHILE YOU WALK AWAY
I know you'll never go far,
So I'll stay, I think I'm falling apart

We fall down, we fall out,
Desire you know that you're making me fall
We fall down, we fall out,
Desire you know that you're making me fall
We fall down, we fall out.
You're making me. FALL APART

WHILE YOU WALK AWAY
I think I'm falling apart.now tell me
WHILE YOU WALK AWAY
I know you'll never go far,
So I'll stay, I think I'm falling Apart

I think I'm falling A.
I think I'm falling A.
I think I'm falling Apart
