Careless, we turn, thoughtless but we learn  
Break me, hold her, kill me again now we're over  
I move we drive out, divert your tide of lies  
We lose control take my reason, you're wrong this time  
This is where we are, inside,  
YOUR PROMISE WAS BROKEN

We are forever falling down  
But I never knew hating could go this far  
My Dreaming keeps beating me up somehow  
Like we've been trying over and over again

Faithless, we are, together, when we're nowhere far  
Still careless, we turn, now endless, it all was meant to  
burn  
I move we drive out, divert your tide of lies  
We lose control take my reason, you're wrong this time  
This is where we are, inside,  
YOUR PROMISE WAS BROKEN

We are forever falling down  
But I never knew hating could go this far  
My Dreaming keeps beating me up somehow  
Like we've been trying over and over again

Gonna lose control,  
Gonna lose control,  
Break me  
Gonna lose control,  
Gonna lose control,  
Break me  
Gonna lose control,  
Gonna lose control,  
Gonna lose control,  
Gonna lose control,  
Gonna lose control,  
Gonna lose control,  
Gonna lose control,

We are forever falling down  
But I never knew hating could go this far  
My Dreaming keeps beating me up somehow

Like we've been trying over and over again  
Forever we're falling again  
Forever we're falling!
