There's something changing in me  
Back Away, Back Away, Back Away  
But nothing I want you to see  
Turn Away, Turn Away, Turn Away  
Take it back there's nothing to say  
Have you ever been broken like me  
So confused I take this time  
To find out that I'm grounded

Can we start again  
Or are you just the.  
SAME  
Are you just the same  
You were meant to change  
Are you just the same  
Are you just the same

I watch you fall back to the floor  
Back Away, Back Away, Back Away  
Are you still happy like before  
Get Away, Get Away, Get Away  
I take it back there's nothing to say  
Have you ever been broken like me  
Confused, I change my mind  
To find my new fixation

Can we start again  
Or are you just the.  
SAME  
Are you just the same  
You were meant to change  
Are you just the same  
Are you just the same

Back Away, Back Away, Back Away  
Get Away, Get Away, Get Away  
There's something changing in me  
Take it back there's nothing to say  
There's something changing in me  
Take it back there's nothing to say

Or are you just the.  
SAME  
Are you just the same  
You were meant to change  
Are you just the same  
Are you just the.  
SAME  
You were meant to change  
SAME  
You were meant to change
