Bach's Lullaby

Sleep little one go to sleep
Mother is here by thy bed
Sleep little one go to sleep
Rest on thy pillow thy head
The world is silent and still
The moon shines bright on the hill
And creeps pass by my windowsill
Sleep little one go to sleep

Oh sleep, go to sleep

Sleep little one go to sleep
So peaceful the birds and the sheep
Quiet are meadow and trees
Even the buzz of the bees
The silvery moon beams so bright
Down through the window give light
O'er you the moon beams will creep
Sleep little one go to sleep

Good night, good night

Sleep little one go to sleep
Mother is here by thy bed
Sleep little one go to sleep
Rest on they pillow thy head
The world is silent and still
The moon shines bright on the hill
And creeps pass by my windowsill
Sleep little one go to sleep

Oh sleep, go to sleep
