I'm sorry that you feel that you've got to get wasted  
to make it through the day  
and it's not my fault  
and it's not your fault  
that it didn't work out  
well we tried to play  
what else did you want me to do  
i'm sick of being sorry for you  
anymore

where did daddy's little girl go?  
why's she putting on a big show?  
why did daddy's little girl go away  
to a marriage on minimum wage  
to a marriage on minimum wage

i don't know what i'd do without you  
except be a happier guy  
and i don't know what i'd do without you  
except find the love of my life

where did daddy's little girl go?  
why's she putting on a big show?  
why did daddy's little girl go away  
to a marriage on minimum wage  
to a marriage on minimum wage  
to a marriage on minimum wage

she's goin down town today  
she's got the pen on the paper say  
she's inspiration oh even though she's lame  
she's a mean girl and she got paid

oh baby i'll try now..?. bout me  
cause i'll be back there someday soon  
and i know you'll be watching me on tv  
cause that's the way things work out

where did daddy's little girl go?  
why's she putting on a big show?  
why did daddy's little girl go away

to a marriage on minimum wage  
to a marriage on minimum wage  
to a marriage on minimum wage
