Sitting in your car 'till 4.30  
Waiting for the drinks to wear off  
Before you drive me back home

Talking 'bout our lives over coffee  
And half a pack of cigarettes  
My mom still hates that I smoke

I'm in love with the idea of finding the one

I have never planned ahead  
For a 'next' to be added  
In front of 'girlfriend'

And I can't and I can't and I can't seem to push you  
away  
Even though you don't like me in the mixtape sort of  
way  
Anymore

Sitting in your car getting angry  
How can I just be your friend?  
I save handshakes for people I hate

Why did you have to get lazy?  
And more and more 'till the end  
Now you're crying this feels like a date

I have never planned ahead  
For a 'next' to be added  
In front of 'girlfriend'

And I can't and I can't and I can't seem to push you  
away  
Even though you don't like me in the mixtape sort of  
way  
Anymore  
And never again
