"Sometimes The Sun"

It's been so long since I've seen your face
Except inside of my head
Counting down to the days till you're home
Hoping that we'll share a bed

Sometimes we fight about the little things
But now they seem like such little things
I woke up from so many dreams
Had visions of buying a diamond ring

Sometimes the sun goes down
Sometimes it comes back up
I'm wondering which one you are watching now

It's been so long since I've heard your voice
Except inside of my head
Waiting for your phone call to ring
Replaying things that you said

Sometimes we fight about the little things
But now they seem like such little things
I woke up from so many dreams
Had visions of buying a diamond ring

Sometimes the sun goes down
Sometimes it comes back up
I'm wondering which one you are watching now

Sometimes the sun goes down
Sometimes it comes back up
I'm wondering which one you are watching now

Are you feeling just like me feeling (down, down,
down)
Wishing you were beside me nightly (down, down,
down)
I'll keep my eyes glued to the ground (down, down,
down)
I'll be there for your airplane touch down (down, down,
down)

Sometimes the sun goes down
Sometimes it comes back up
I'm wondering which one you are watching now

Sometimes the sun goes down
Sometimes it comes back up
I'm wondering which one you are watching now

Sometimes the sun goes down
Sometimes it comes back up
I'm wondering which one you are watching now
