"Dizzy Moon"

Visit "[Dizzy Moon](#)" on MotoLyrics.com

Dug myself a hole again
Lost my self-control again
Kicked myself in the head again
Made my own dumb bed again

CHORUS:

Dizzy moon, dizzy moon
The dream is over
Dizzy moon, dizzy moon
The dream is dead
Lost myself in the mail again
Hit my head on the nail again

Slept myself awake again
Burned myself at the stake again

CHORUS

Dug myself a hole again
Lost my self-control again
Kicked myself in the head again
Made my own dumb bed again
Lost myself in the mail again
Tossed myself in jail again

CHORUS X2
