Sometimes I wanna touch you
Sometimes I wanna watch you
Sometimes I wanna tear you down
Sometimes I wanna take you
So far that I could break you
Sometimes I wanna shake you
I wanna see you falling off the world

CHORUS:

Falling off the world
You don't know what you're doing
Falling off the world
You don't know where you're going
You don't know that I'm falling off the world

One time I wanna kiss you
So hard that I could kill you
Sometimes I wanna heal you
I wanna feel you falling off the world

CHORUS

I can't get enough of you....
Falling off the world
You don't know what you're doing
You don't know where you're going
You don't know that I'm falling off the world
Falling off the world....
