I Saw Red  
Warrant

Oo it must be magic  
How inside your eyes I see my destiny Every time we  
kiss  
I feel you breathe your love to deep inside of me  
And if the moon and stars should fall  
They'd be east to replace  
I would lift you up to heaven  
And you would take their place

Then I saw red  
When I opened up the door  
I saw red  
Heart just spilled on to the floor  
And I didn't need to see his face  
I saw yours  
I saw red then I closed the door  
I don't think I'm gonna love you anymore

Everyday I wake up  
I thank God that you are  
Still a part of me

Opened up the door to which  
So many people never find the way  
Snd if the sun  
Should ever fail to send its light  
We will burn a thousand candles  
And make everything alright

Then I saw red  
When I opened up the door  
I saw red  
Heart just spilled onto the floor  
And I didn't need to see his face  
I saw yours  
I saw red then I closed the door  
I don't think I'm gonna love you anymore

I've been hurt

And I've been blind  
I'm not sure that I'll be fine  
I never thought it would  
End this way  
Oo it must be magic
