I'm aware then of your desire  
silent stares from mirrors  
all my gifts corrupt like flowers  
would you care I have secrets too

one more  
my life  
to find you nearer  
take this cage  
put me inside  
for your shelf

with one more gift  
you'll find my place  
in your world is  
too unkind

don't be scared if I know your secrets  
I'll be kind to your shame as you sleep  
quiet in my cage watching you breathe and dream  
away  
moments I could share  
never touched  
never seen

As close as I  
from this cage  
can be to you

from my cage

with one more gift  
you'll find my place  
in your world

And I feel  
if words came out you'd see  
were not unkind

So take this gift

As close as I  
from this cage  
can be to you

from my cage

With one more gift  
Find my place  
One more gift  
you'll feel
