This is the clock upon the wall  
this is the story of us all  
this is the first sound of a new born child before he  
starts to crawl  
this is the war thats never won  
this is a soldier and his gun  
this is the mother waiting by the phone  
praying for her son

Pictures of you,  
Pictures of me,  
Hung upon your wall for the world to see  
Pictures of you,  
pictures of me,  
remind us all of what we used to be

there is a drug that cures it all  
blocked by the govermental wall  
we are the scientists inside the lab just waiting for the  
call  
this earthquake weather has got me shaking inside im  
high up and dry

[chorus]  
Pictures of you,  
Pictures of me,  
Hung upon your wall for the world to see  
pictures of you,  
pictures of me,  
remind us all of what we used to be

confess to me every secret moment  
every stolen promise you believe  
confess to me all the lies between us  
all that lies between you and me

we are the boxers in the ring  
we are the bells that never sing  
there is a title we cant win no matter how hard we must  
swing

[chorus]x2  
Pictures of you,  
Pictures of me,  
Hung upon your wall for the world to see  
pictures of you,  
pictures of me,  
remind us all of what we could have been

(could have been) (could have been)

pictures of you pictures of me  
remid us all of what we could have been(could have  
been)
