Too-oo-oo-nite, tonite while I'm holding you so near
(holding you so near)
Tonite, tonite what I'd give if I could hear
Those three little words that would thrill the heart of me
(thrill the heart of me)
Just whisper (shhh whisper) "I love you" and will
eternally

Tonite, tonite more than any time before (any time
before)
This hea-ah-art of mine seems to need you so much
more
The touch of your lips, the thrill of your embrace (thrill
of your embrace)
Keep saying that no one will ever take your place

While looking up above I-I wished upon a star
And prayed for a blessing from ab-o-o-o-ove
Well, if my wish should come true until our life is
through
I'll have you near to have, to hold and to love

Well, tonite, tonite may it never reach an end (never
reach an end)
I'll mi-i-iss you so till you're in my arms again
With all of my heart I declare with all my might (declare
with all my might)
I'll love you forever as I lo-o-o-ve you tonite

(Love you, love you, love you tonite)

Too-oo-oo-nite, tonite may it never reach an end (never
reach an end)
I'll mi-i-iss you so till you're in my arms again

With all of my heart I declare with all my might (declare
with all my might)
I'll love you forever as I lo-o-o-ve you-oo to-oo-ni-ite
(Love you tonite)
