Come on, little girl, come on  
Come on, little girl, come on  
Come and dance with me

I need someone to  
Dance with me and  
That someone I've chosen is you, so

Come on, little girl, come on  
Come on, little girl, come on  
Come on, little girl, come on  
Come on and rock me in my soul

Don't say the word, no  
That would make me run away  
I need someone, someone like you, so

Come on, little girl, come on  
Come on, little girl, come on  
Come on, little girl, come on  
Come on, dance with me

Come on, little girl, come on  
Come on, little girl, come on  
Come on, little girl, come on  
Come on, dance with me

Don't say the word, no  
That would make me run away  
I need someone, someone like you, so

Come on, little girl, come on  
Come on, little girl, come on  
Come on, little girl, come on  
Come on, dance with me

Come on, little girl, come on  
Come on, little girl, come on  
Come on, little girl, come on  
Come on, rock me in my soul
