Ever since we first met, baby
Everything I said was fine, okay
Now that you have found another love
Your temptations I know my heart can't resist

Because you're my only love
My, my, my, my only love
Tell me baby
Why you want me to cry, yeah
Want me to cry

We woke up on a Friday morning
You went away and said you won't be too long, now
When you come back on a Sunday morning
You tell me lies that my mind turned from you

I said now,
"You've been fooling me
Why you keep on fooling me?"
Tell me baby
Why you want me to cry, yeah
Want me to cry

We woke up on a Friday morning
You went away and said you won't be too long, now
When you come back on a Sunday morning
You tell me lies that my mind turned from you

I said now,
"You've been fooling me
Why you keep on fooling me?"
Tell me baby
Why you want me to cry, yeah
Want me to cry

I don't want to, I don't want to cry no more
I don't want to, I don't want to cry no more
I don't want to, I don't want to cry no more...
