"Change"

I don't feel the sun's coming out today....

It's staying in..... It's gonna find another way

As I sit here in this misery

I don't think I'll ever know, oh Lord

See the sun from here

And oh! As I fade away

They'll all look at me and say, and then they'll say

"Hey, look at him! I'll never live that way"

But that's ok, they're just afraid of change

And when you feel life ain't worth living

You've got to stand up, and take a look around, look up
way to the sky

And when your deepest thoughts are broken

Keep on dreamin' boy, 'cause when you stop dreamin'
it's time to die

And as we all play parts of tomorrow

Some ways we'll work, and other ways we'll play

But I know we can't all stay here forever

So I'm gonna write my words on the face of today....

....and then they'll paint it

And oh! As I fade away

They'll all look at me and say, and then they'll say

"Hey look at him, and where he is these days"

when life is hard, you have to change...

When life is hard you have to change
