Out here in nothin' engulfed by

the sea

And there's no one here 'cept these

fishes and me

I think I could die here

Then I'm hit, leveled hard by the

rising tide

Oh, I'm hit hard by the tide,

I'm just livid, all alone

Sunny, so funny, not funny to me

Because, I'm bearing the scars from it

burning on me

But I'm feel so revived, just sittin'

here thinkin'

Then I'm hit hard, really hard by

the tide

I'm hit hard by the tide, I'm

just livid

And I'm livin'

Yeah, I'm hit hard by the tide

I'm livid, livid

Hard by the tide

I'm livin'

All alone
