As I walk down the highway all I do is sing this song,

And a train that's passin' my way helps the rhythm  
move along

There is no doubt about the words are clear,

The voice is strong, is oh so strong

I'm just a simple guy, I live from day to day

A ray of sunshine melts my frown and blows my blues  
away,

There's nothing more that I can say but on a day like  
today

I pass the time away and walk a quiet mile with you

All I need from you is all your love,

All you got to give to me is all your love,

All I need from you is all your love,

All you got to give to me is all your love

I'm so glad I'm living and gonna tell the world I am,

I got me a fine woman and she says that I'm her man,

One thing that I know for sure gonna give her all the  
loving

Like nobody, nobody, nobody, nobody can

Standing in the noonday sun trying to flag a ride,

People go and people come, see my rider right by my  
side,

It's a total disgrace, they set the pace, it must be a race

And the best thing I can do is run
