"Sleepy House"

No time frame for what I need to do today here at the
yellowhouse

I think that I'm gonna play with some free living lads
down the street aways,away

As I feel the moon rise,

the time that all feels is the right time,

here in our sleepyhouse

As I wipe eye bugs away the candle flickers at me to
say

And in my head I sometimes pray

Hey arent ya feeling fine

As I was as a little child

And I'm feeling better when I'm high

With a red light shinning on a little unity

The mistakes that I've made,no they don't seem to
bother me

And I sure as hell don't feel like I've missed any kind of
train

If I could only show you how I feel

Then you wouldnt bother me

And maybe then you'd see why we don't mind being
blind

As I was as a little child

And I'm feeling better when I'm high

With a red light shinning on a little unity

I'll probably be in a little while
